In 2007, Breakfast with Santa was a four-day event where kids could sit down, have a meal and talk with Santa. In total, more than 1,250 guests were attendance and hundreds of kids were able to meet with the big man in red.

Breakfast with Santa raised nearly \$9,000 for the Zoo. Not only did the children get to see Santa, but Aurora, Yukon, Puff and Flounder also swam in to wish everyone Happy Holidays.
