- Party and Zoo admission for up to 30 people (extra people are \$15 each; maximum 50 people with children younger than 2 being free).
- Pizza, drinks and party snacks
- Decorated party room
- Personal party host,
- Up-close-and-personal animal encounter or talk

We have loads of ways to customize or upgrade this party. Food, drinks, tours, we can make your special day just how you want it.

Pick one of the following three themes:

Lost on Safari: Take your family on a safari where we celebrate your special day! This wild-themed party is all about the animals you would find while on safari! But don't worry, even though we are 'lost' in the savannah, we will find our way to some serious fun!

Amazing Butterflies: Your entire family can enjoy the wonderment and magic of the story of the Monarch Butterfly. Younger guests will enjoy learning about the butterfly lifecycle through the use of larger than life models, while adults will learn interesting and amazing facts about Monarch migration and how to attract butterflies to your own garden.

Backyard Habitat: Learn how your family, both the young and old, can turn your backyard into a sanctuary for local wildlife with birdfeeders, toad abodes and other animal friendly decorations. Have fun learning together while celebrating your special day!

Starting at a flat fee of \$400 for up to 30 guests.
