

Participation numbers grew in 2011's event – with 922 registered in the 5K and Seneca Park Mile, along with a decent crowd of smaller runners in the Kids' Fun Run! Runners enjoyed a unique setting of Lower Seneca Park while running past some of our animals inside the Zoo. The Wegmans ZooMobile was also on hand to engage runners and their families with some up-close-and-personal animal encounters throughout the morning, too. In its 21<sup>st</sup> year, the fundraiser pulled in nearly \$18,200 for your Zoo.
