

# ZooBoo 2010

Nearly 15,000 people attended our 2010 event, which included 12 palm oil-free candy stations, family-friendly entertainment, a “Zoo-Mazing” Maze and much more! Our Zoo animals enjoyed their own treats as well, and guests helped us celebrate birthdays for Kumang, one of our Bornean orangutans, and Genny C, one of our African elephants. We would like to thank Wal-Mart for supporting this great event.
