

Dear Teacher,

This letter and the enclosed ZooTeens Reference are presented to you by a student who is interested in participating in the ZooTeens Program at Monroe County's Seneca Park Zoo. This program is specifically designed for 13- to 18-year-olds.

ZooTeens serve as volunteer educators here at the Zoo and are encouraged to learn as they teach. They develop communication skills while deepening their appreciation for the environment and animals. ZooTeens present a variety of public education programs at the Zoo. Candidates should be comfortable speaking to and interacting with groups of people of all ages and abilities.

Please take a minute to answer these questions to help us assess the student's viability as a candidate. After completing the form, please mail or fax the form to the address below. If you have any questions, please call me at the number listed below. We look forward to hearing from you.

Sincerely,

Bart A. Roselli
